ADULT COURSES

MALTA

Learn English in Malta and explore 7000 years of history while living passionately in the present! Travel in time across the millennia and discover an amazing variety of myths, legends and historical events that have shaped the destiny of Europe and the world. Delve into the mysterious prehistory, retrace the footsteps of St. Paul or see where the Knights of St. John defended Christendom.

The Maltese Islands are at the centre of the Mediterranean Sea and include the main island of Malta, the sister island of Gozo and the tiny island of Comino. The Islands have a total area of 325 km². Malta is the largest island and the cultural, commercial and administrative centre. Gozo is the second largest island and is more rural, characterised by fishing, tourism, crafts and agriculture. Comino, the smallest of the trio, has one hotel and is largely uninhabited and is world famous for the beautiful 'Blue Lagoon'. The Islands have a population of 423,000 inhabitants.

The Islands enjoy a temperate climate all year round with over 300 days of sunshine and glorious weather. Winters are very mild whilst summers are very warm with average temperatures of 30 degrees in peak season.

This means that any time of year is ideal to visit!

The Maltese Islands have been described as one big open-air museum. What makes them unique is that so much of their past is visible today. Wherever you go, the stunning scenery and magnificent architecture provide a spectacular backdrop to Maltese history, culture and tradition. The colours are striking; honey-coloured stone set against the deepest blue of the Mediterranean Sea.

Malta is great for English language holidays as it provides the perfect surroundings for every mood that takes you. And with near year-round sun, you can indulge in outdoor living at its best. Within the small archipelago you can try a new sport, laze on an island cruise, relax on the glorious beaches, tour the most important historic sites and still have time to join in the exciting and vibrant nightlife. This is the true advantage of a stay with us in Malta.

Here in Malta you will have a great time learning English while enjoying a holiday at the most relaxed of Mediterranean paces.

ACCOMMODATION

ACE English Malta offers a wide selection of accommodation options to ensure that the needs and budgets of all students are catered for. The selection on offer ranges from self-catering shared apartments to carefully selected host families to a range of hotels.

• Host Family Accommodation

Our carefully selected host families allow students the opportunity to practise their English on a daily basis. Living with a host family and immersing oneself in family life can be fulfilling whilst building lifelong friendships.

An experience not to be missed.

A student's stay with a host family is a very important part of their experience in Malta and we make sure that at ACE English Malta we use the best host families to make a student's stay enjoyable and comfortable. We have a dedicated member of our team who will look after our students and place them with a warm and welcoming family.

Host family accommodation is offered on a half board basis which includes breakfast and dinner. Students can choose either a private single room or a shared twin room. Host families are usually within walking distance of the school and are regularly inspected to ensure that standards are maintained and provide our students with the quality expected.

Staying with a host family is a very rewarding experience as students have the opportunity to practise their English and learn more about local culture and traditions through interaction with family members. Students must always keep in mind that they are not staying in a hotel so they should be considerate towards the family's wishes and policies and respect their privacy at all times.

Any student that books Host Family accommodation must also book return airport taxi transfers.

• Standard & Superior Shared Self-Catering Apartment Accommodation

ACE English Malta offers a number of shared, fully-furnished, self-catering apartments situated within easy travel distance of the school.

Students may choose shared twin rooms or private single rooms. This type of accommodation is ideal for students who would like to share with other international students, make new friends, learn about different cultures and practise their English.

All apartments are fully-furnished and include living/kitchen/dining area, cable TV, free Wi-Fi (in living area), fans (in summer), heaters (in winter), bed linen and towels. Apartments are cleaned and linen & towels are changed once a week.

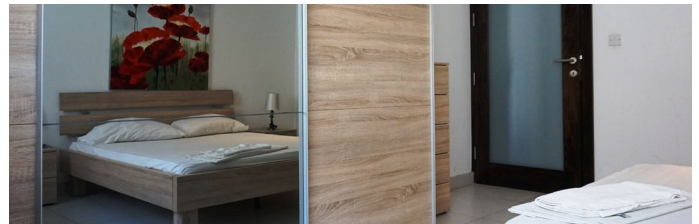

Water and electricity is included in the accommodation fee. Costs are extremely high so every effort must be made to avoid waste. Any abuse of water and electricity will incur extra charges for the students.

A refundable damage deposit of €100.00 (cash) is required from every student. This must be paid at school reception on the first day of school and will be returned on the last day pending any issues relating to the apartment.

Any student that books an apartment must also book return airport taxi transfers as they must collect the keys from our driver on arrival and return the keys to our driver on departure.

• Student Hostel (Multi-Sharing Rooms with Snack Breakfast)

This is a great option for students on a tight budget. Located in Paceville, right in the heart of St. Julian's, the hostel is less than 10 minutes walk from the School. The sharing rooms sleep 2 to 8 people in bunk beds and most have ensuite shower rooms. There is also a roof terrace with common areas and a small swimming pool.

LEISURE

At ACE English Malta we believe that what happens outside the classroom is as important as what happens in it. Every week a number of social activities are planned by the school and our leisure team is always available to provide entertainment for our students. We offer a full and varied leisure programme which is aimed at satisfying every student's taste and preference. Social activities are a very important part of learning English as students practise what they have learnt in class out in the real world. Our leisure team brings students together to help them make new friends and experience the culture and traditions of Malta.

A typical weekly programme would include visits to the amazing capital city of Valletta and the fortified medieval city of Mdina. Plus a beach trip

and a boat party in summer or a jeep safari and a trek around Malta's countryside in winter. Evening activities such as concerts, a visit to a village festa, a traditional Maltese meal or a visit to a popular local nightclub are also included.

Apart from regular outdoor activities like golf, tennis and football there are also plenty of indoor options such as spas, getting fit at the gym, watching the latest films at the cinema or challenging friends to an evening of ten-pin bowling. The clear blue Mediterranean Sea around the Maltese Islands is ideal for scuba diving. All three islands offer unique diving experiences with an abundance of reefs, caves and wrecks that make dives here some of the most interesting in the Mediterranean.
